

## **COLORADO FRIESIAN HORSE CLUB**

30050 Big Springs Road, Calhan, CO 80808

The Colorado Friesian Horse Club is an official chapter club of the Friesian Horse Association of North America (FHANA) and a social club registered with the state of Colorado. We are currently soliciting donations as a fundraiser to help offset the costs of hosting the KFPS/FHANA 2009 and 2010 Keurings. The Keurings are an annual event that takes place throughout North America. The 2009 Colorado Keuring will be held September 10 at Douglas County Fairgrounds in Castle Rock.

The cost of hosting a KFPS/FHANA keuring is expensive for all Friesian horse owners. Among our shared costs are food, lodging and transportation for the KFPS Judges, who travel each year to the United States from the Netherlands. We are obligated to pay these costs otherwise it is possible that the Keuring would be moved to another state in the mid west. This would create a hardship for all horses and the owners since we would then need to travel with our horses out of state for this important and necessary annual event.

The CFHC is hosting a dinner to welcome our judges to Colorado this year. As part of the dinner events we will have a Raffle and Silent Auction to raise funds to help cover the cost of the 2009 and 2010 Keurings. Items with a declared value of less than \$100 will go into the Raffle and items with a higher value will become part of the Silent Auction. We are happy to accept any donation.

All donors will be listed on a special page on the club's web site through 2009 at:  
<http://www.coloradofriesians.com>

Thank you for your support of this Colorado organization!
